Petition for Special Assessment

We hereby acknowledge that we will be obligated to pay the assessments when due. The assessment and the interest and any penalties thereon will constitute a lien against the Property until they are paid, even if I/we sell the Property to another person. I/we understand that assessment installments together with the interest on the assessment will be collected on my/our Property tax bill in the same manner and at the same time as Property taxes and will be collected on my/our Property tax bill in subject to the same penalties, remedies and lien priorities as for Property taxes in the event of delinquency, including foreclosure. I/we waive any and all procedural and substantive objections to the installation of the Improvements and the special assessments, including but not limited to any public or other hearings or hearing requirements and any claim that the assessment exceeds the benefit to the Property. I/we waive any appeal rights otherwise available pursuant to M.S.A. §429.081.

The City or County will assess the cost of the Improvements as a special assessment against the Property in accordance with the City's or County's charter, code, or ordinances regulating assessments. The Assessment will carry a term of up to 20 years and will be certified by the City or County annually to County for collection with Owner's Property taxes. Owner may choose to prepay all or a portion of the assessment directly to the City or County at any time during the term of the Assessment. All principal amounts certified annually will carry interest amounts calculated on a fixed interest rate as established by the Saint Paul Port Authority prior to ratification of the Assessment by the City or County.
